### **TO VERY GOOD HOME**

**Standard Breed - Approx. 15.1hh – 7 Years Old**

**\$1,500 - Phone Elise Croft: 0429 110 121**

Pilgrim was purchased by his current owner when he was 6 months old. He has been ridden by both adults and children, and has been taught to lay down on command (both from the ground and in the saddle). He has been regularly ridden in bushland and at the beach.

Pilgrim began to compete in team roping at rodeos when he was 4 but has spent the last 1.5 years relaxing in a paddock, occasionally free leased to friends of the family.

Unfortunately Pilgrim's current owner has two other horses (quarter horses) that are being ridden in rodeo competitions. Pilgrim is a bit too slow for rodeo. It would be great to see him being ridden and cared for, rather than just left in the paddock.

He needs a rider of moderate experience, and certainly needs to be kept in an electric fence (his nickname should be Houdini, when it comes to getting through fences).
